

IT ACADEMY

cultivating
talents

Initiative to create a new growth engine,
based on Estonian IT **success** story
and by expanding it to regional and
global level.

Üllar Jaaksoo ▫ project director of IT Academy - skype:

Are we small?

**We'll be picky, to make the most tasty jam.
Interdisciplinary + international +
entrepreneurial**

NORITACA

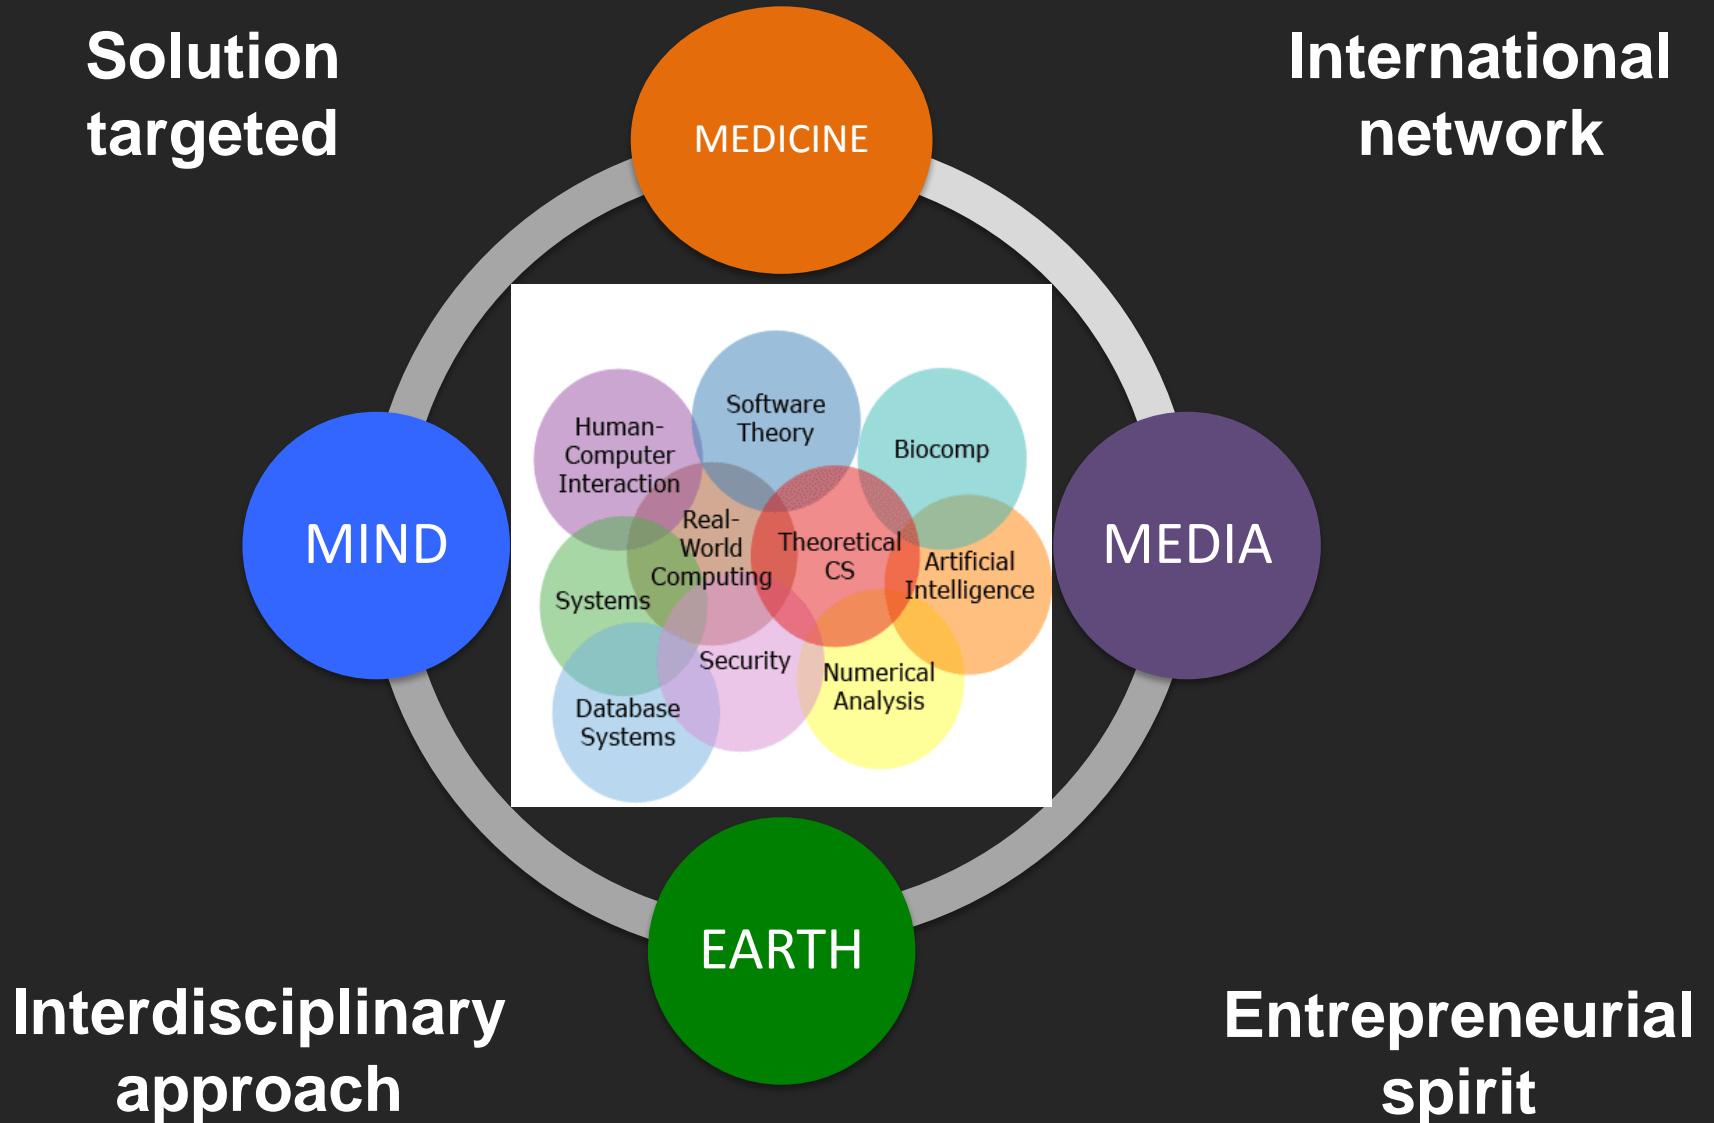

Northern IT Academy

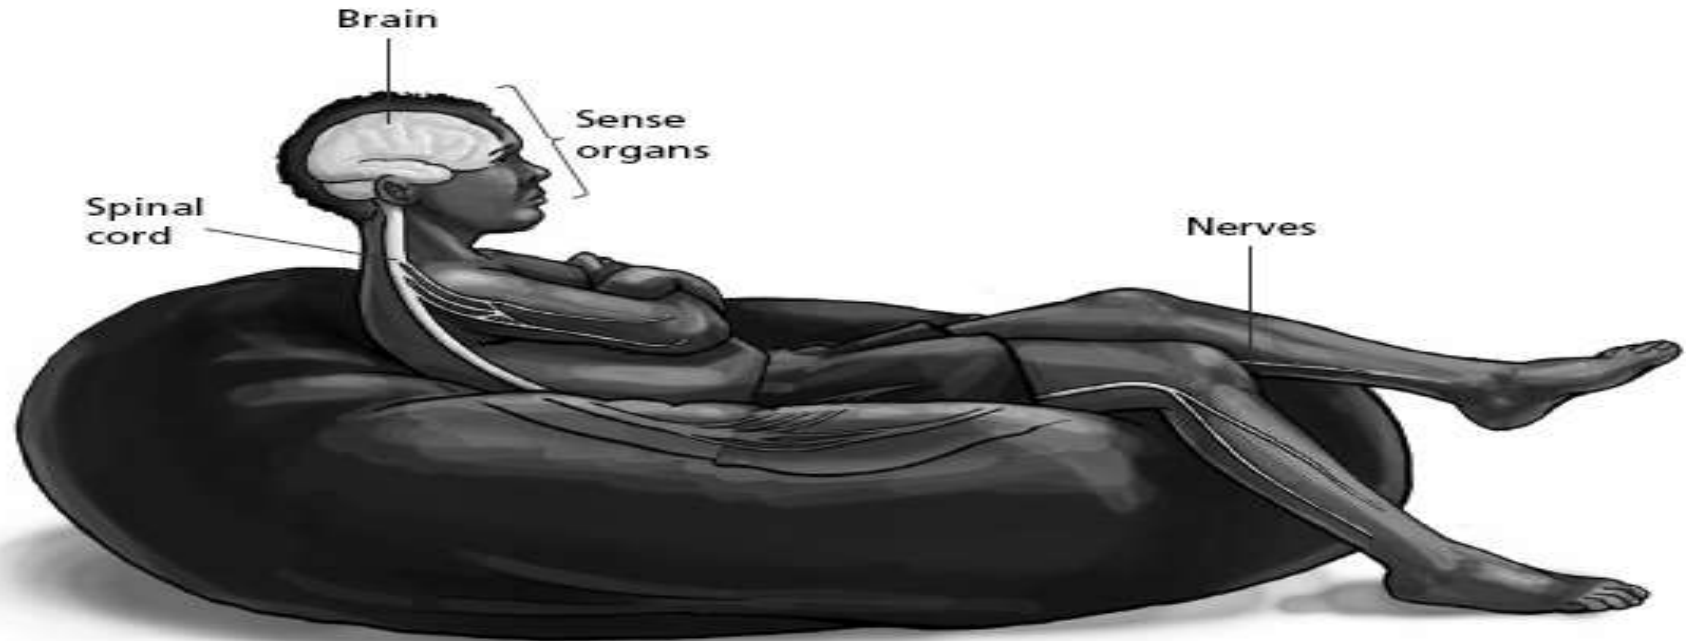

Working on model – via value creation to WCU

Looking for partners – Nordic, EU, US, Asia

NORITACA

ICT is a enabler for best ideas to win.

If money is a blood system of economy, then ICT is a nervous system of economy.
